Swedish International Exhibition of Photography 2018

The National Association of Swedish Photography proudly presents the "Swedish International Exhibition of Photography 2018", which is one of the few in Sweden.

The exhibition has received PSA Recognition, FIAP Patronage and NFFF Patronage. More than 300 photographers from more than 50 countries have sent about 2500 photos for assessment, and I should like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted 447 colour and 235 monochrome images for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize winning photos.

Please enjoy!
